## CHANCELLOR MESSAGE

Aloha to the Leeward Community College Class of 2020!

What an accomplishment! Few milestones are more significant than earning your diploma. You should be proud of all you have learned and achieved during your time at Leeward.

Not too long ago, it would have been difficult to imagine the challenges that have impacted our college and the world in the past few months. Even with our collective uncertainty and loss of normalcy, your determination was an inspiration for everyone at the College. You have exhibited a resiliency that will serve you well as you go forward, joining the thousands of Leeward CC alumni who have been making an impact on the world since 1968.

As you embark on this new and ever-changing chapter of history, you do so as part of a global family unmatched in its potential and connectivity. No matter the circumstances, generations of Leeward Community College alumni have risen above the obstacles of the moment and made a meaningful difference in our world. I know that you will do the same.

Your diploma represents more than just coming to college. It represents the discipline, effort, and perseverance to achieve what many try, but few accomplish, a college credential.

Take pride in yourself and in the experiences that have prepared you to leave your mark on our community. The Class of 2020 will forever be an example of strength to all who are part of Leeward Community College.

Congratulations. Make us proud.

A handwritten signature in black ink, which appears to read 'Carlos Peñaloza'. The signature is fluid and cursive, with a long horizontal line extending to the right.
